Dated Shillong, the 29th May, 2019.

Dear Mrs. I. Warjri,

It is with great jubilation and elation that I take this opportunity to congratulate the entire faculty of Meghalaya Police Public School, for their profound and wholehearted dedication towards enlightening the students of the school. Their exemplary proficiency has culminated into an immense success, as out of the total 41 students appearing in the 2019 exams, all the students have secured First Division, and among them 3 students secured more than 90 percent in their results. The accomplishment of the students in this academic year has indeed brought laurels and acclamation not only to the school but also to the teachers as well. The brilliant performance of the students and the zealous dedication of the teachers are highly praiseworthy and commendable.

I wish all the students and the faculty that they will continue to shine brightly in their future endeavours, and may they reach the epitome of success.

With regards,

Yours sincerely,

(R. Chandranathan, IPS)

Mrs. I. Warjri
Principal,
Meghalaya Police Public School.
